GOSHALA PROJECT

In our Ashram at Devrukh, we started 'Goshala Prakalp' in the year of 2006. Initially we were having only 4 cows. With the blessings of Swamiji this '**Godhan**' is increasing every year. Now we are planning to expand this upto 20-22 cows. This activity has running & maintaining cost approximate to Rs. 100000/-. For financing this activity we are launching new schemes which are as follows:

1. One Rupee a Day Scheme:

With an idea that a poorest of sadhak can contribute to this novel project of social interest, we are starting this scheme where those sadhaks interested will contribute **only Re 1 per day**. Each of the sadhak taking part can keep a small box, where he/she can deposit one Rupee every morning/evening remembering Swami through his/her heart. For that moment sadhak will feel a connection with Devrukh ashram space. You may appreciate that Rupee One contribution per day will not tax anyone but will make a lot of difference to the project when contributed by thousands of our sadhaks. At the end of the year, a sadhak in the scheme can just deposit the collected amount to the Centre Coordinator, who in turn will deposit that money in the account of the trust.

2. Interest on Fixed Deposits scheme:

It is proposed by our trust that those sadhaks interested in helping the Goshala operations, may keep a particular amount in the fixed Deposits in their own names. (No Deposit should be kept in the name of the Trust). All that is expected is that the amount that the sadhak gets on such deposits as interest may be offered for the funds of Goshala. The sadhak can choose his/her own bank and deposit schemes of their own choice. Even the offering of interest to the trust is optional and will be entirely at the discretion of a sadhak. Whenever a sadhak feels like withdrawing from the scheme, he or she can just do that.

In case of any queries on any of the above schemes you may kindly contact Mrs Monali Rakshe (our trustee looking after the Goshala funding project) on her mail ID monali.rakshe@gmail.com or on her cell # 9420692136.

One Rupee a Day Scheme

FAQs:

1. Who can contribute to this scheme?

Anyone who believes in God (of any form, any faith and any name) can contribute to this scheme. **The trust in God is a must.** If one does not have a trust in God, we suggest he/she may not be a part of the scheme.

2. How to start contributing to this scheme?

Just register your name to the Coordinator of your centre. The list of coordinators and centres are given here for your reference. The coordinator may give you a small coin box if he/she has one or may request you to get one your self.

3. How do I go thereafter?

Every morning or every evening before you pray to Swami Samarth or any God that you believe in, just insert **One coin** of Re 1/- in the box. Remembering God is very much essential. That will add a real value to the coin. Do it only once a day.

4. How long do I have to do that?

You should start it from 1st August 2012 and should do it till the time you believe in God or for One year (31/07/2013) whichever is earlier. Once the year is over, you may kindly deposit the box to the concerned coordinator of the centre where you had registered at the beginning of the year.

5. What happens thereafter?

Your coordinator will deposit all those boxes or the amount therein to the Trust. The trust uses this money for maintenance of Goshala at Devrukh ashram. You may continue to be a part of the scheme as long as you want and register for next year again. Goshala funds are accounted for separately by the trust and the entire expense of Goshala towards the food of Cows like a fodder, cows feed, vitamins, medicines etc, the person looking after the cows, the maintenance of a Cowshed etc will be managed through this scheme. The funds collected from other scheme like Fixed Deposit interest scheme also will be added. The expenses for the Goshala are likely to be around Rs 1,00,000 per annum for the next 2 to 3 years.
